Sanitary Board Studies Means, Meet Demands

Reassessment is Likely To Avoid Calling Bond Issue

Morgan E. Stuart, associate engineer for the state department of public health, advised members of the Truckee Sanitary board here last Thursday evening that steps must be taken immediately to improve the sewer disposal system here.

As a result of the meeting, members of the board are confronted with a problem of financing the $10,000 to $15,000 project and rather than go to the expense of a bond issue, it was decided to raise the tax assessment in the district. During the past two years, the district has been operating on a 40 cents per $100 assessed valuation, a cut of nearly $1 from the former rate, which was slashed when county officials found the law provided for a maximum of 40 cents for sanitary districts.

An attempt will be made, Fred Morris, superintendent of the district, said, to have the assessment adjustment made by the county assessor. This, he said would provide a fair and equitable division of the cost involved.

Stuart, who said he planned to make more frequent visits to Truckee and follow closely the progress of the required improvements, also made the following necessary recommendations to the board:

1. The main sewer line over the Truckee River must be replaced immediately.
2. Arrangement must be made for daily treatment of the disposal plant.
3. No water pollution will be tolerated in any stream, including Trout Creek.
4. Four new sludge beds and lagoons must be dug and a dike must be maintained at the disposal plant to prevent water going into the Truckee River from the disposal tanks.

Stuart told the board the present tanks were adequate for current needs and estimated that half a million gallons each day is passing through the tank.

In requesting the changes, Stuart told the board of their legal responsibilities and said his department stood ready to cooperate but urged them to take immediate steps to correct a situation which has previously been called to their attention.

The garbage disposal program was discussed but no changes were made in the current procedure, Morris reported.

President Harold Hodson was in charge of the meeting. Other members are T. T. Buell, Heslin Cardinal, Joe Mattos and David Rose.

Truckee, Tahoe Fans Attend College Bouts

Twenty-five Truckee and Tahoe men Saturday attended the intercollegiate boxing finals at Sacramento. Preceding the contests, which were won by the University of Idaho, the group attended a cocktail party arranged in their honor by Mr. and Mrs. Matt Green, former owners of Tahoe Tavern now living in Sacramento.

D.A. Again Candidate, Has No Opposition

District Attorney Vernon Stoll, appointed three years ago by the board of supervisors to the office he holds, has announced he will be a candidate for reelection at the June 6 primary election. No other candidate has filed for the office and with the final date for candidates to file set for April 1, it is likely Stoll will have no opposition.

Program in Region Preview Cancer Drive

"The Web of Life", a motion picture film on cancer, and educational talks by Dr. L. D. Nelson of Truckee, featured meetings of the women's clubs at Tahoe City Monday evening and at Truckee Tuesday evening. The programs were held in the interest of the forthcoming drive for funds to combat the dread disease.

Mrs. Raymond Scott of Truckee and Mrs. John D. Burns of Tahoe City are chairmen of their local committees. The drive will start early next month.

IMPROVES

Chester Zunino, who was seriously injured in an automobile accident near Elk Grove two weeks ago, is reported improving at Sutter Hospital in Sacramento, according to word to his father, Jerry Zunino. The victim suffered a broken leg and arm as well as severe shock.

Sportsmen Will Sponsor Project Of Improvement

Membership Response Is Held Unsatisfactory By President

Election of officers for the new year and other important business will be transacted by the Truckee Outdoor Sportsmen at a meeting to be held early in April at the Capitol Hall, H. H. Hodson, president, announced.

In the meantime, emphasis is being placed on the current membership drive. Hodson said that he and Mrs. Hodson have sent out more than 500 cards urging renewal of membership and that the response has not been at all satisfactory.

Although the membership fee for a year is only $1 and does not mean any great sum if everyone responded, the very fact that the sportsmen are behind their organization is what counts, Hodson said. Without this support, the club is handicapped to proceed with any desired projects.

Included in the program for the coming year will be a movement to secure from the county half of the funds paid into the local justice court for fish and game violation fines, due to be returned to the districts where it is collected. In this move the chamber of commerce is also active, Earl Stice, president of the chamber, says.

Another important plan proposed for the Sportsmen will be an effort to have the setup of the state fish and game commission changed to provide for seven elected commissioners from seven districts instead of the current five-man board appointed by the administration.

Stream improvement, protection of fish and game and a program of sports improvement are all scheduled by the club, Hodson said, in urging that members renew and show their desire to aid in solving local problems.

Popular Local Couple Given Farewell Party

Mr. and Mrs. William Reisinger who will leave soon to make their home at Willows were feted at a dinner party given by Mr. and Mrs. Don Sites on Friday, March 24. The departing family has made many friends here who will regret their departure.

Mrs. Wilkie Enters Hospital for Operation

Mrs. W. F. Wilkie Sr. has been taken to Mary's Help Hospital in San Francisco where she may have to undergo a major operation. Mrs. Wilkie's daughter, Mrs. Fred Volmer, was released from the same hospital Friday following a major operation and is reported recovering nicely.

Cal-Neva Lodge Plans Dinner Dance April 8

Douglas Ross, manager of Cal-Neva Lodge at Lake Tahoe, announces that a winter dinner dance will be held there Saturday evening, April 8. A buffet and entertainment will be featured for the resort's first seasonal event, Ross said.

Red Cross Worker Lions Club Speaker

Margaret Conant, Red Cross home service field representative, gave a talk before the Lions Club last night on the importance of the current Red Cross drive for funds. Also on the program, Bill Willis, Standard Oil Company representative, showed movies on bowling, roller skating and other sports.

Bert Wilson of Oakland and H. G. Loehr were guests. B. W. Reynolds presided and Bob Gifford was program chairman.

Flying East—

Mr. and Mrs. R. N. Little and Mr. and Mrs. Vern Shattuck have airplane reservations to fly to Detroit, Mich., April 4 where they will receive their ordered automobiles.

Truckee Churches Announce Plans For Observance Of Holy Week In District

Truckee churches have scheduled their Holy Week services, according to Father J. Boland of the Catholic Church and Rev. Oscar Swenson of the Community Church.

At the Catholic Church, Spy Wednesday will be observed with mass at 8 a.m., confession 3 to 5 and 8 to 9 p.m. and evening devotion at 7:30. Holy Thursday will have mass at 8 a.m., adoration all day and rosary and sermon at 7:30 p.m. Good Friday morning ceremonies will begin at 8 a.m. with Stations of the Cross and sermon at Truckee at 2 p.m. and at Tahoe City at 7:30 p.m. Ceremonies will begin at 8 a.m. Holy Saturday with confessions at Truckee from 3 to 5 and from 7 to 9 p.m. and at Tahoe City from 3 to 5 p.m.

On Easter Sunday low mass will be held at Soda Springs at 8 a.m., with high mass at Tahoe City at 9 a.m. and at Truckee at 9:30 a.m.

Community Church

Eugene Risden will officiate at the services at the Community Church on Palm Sunday, April 2, when Sunday school will be held at 10 a.m. and worship at 11 a.m. The topic will be "The Palm". Evening vespers, informal singing, Bible study and prayer led by Rev. Swenson will be held that evening at 7:30.

The Bible Readers Club meets at the parsonage on Saturday for children from 7 to high school age at 10 a.m.

Christian baptism will be administered and new members received at Easter. A cordial invitation is extended to everyone to participate in the services.

MAN INJURED IN FREAK ACCIDENT AT 'BUG' STATION

In an unusual accident shortly before noon today, William H. Anderson, 63, Olympia, Washington, suffered a fractured leg and lacerations and was treated by Dr. L. D. Nelson.

Anderson was opening the trunk of his car at the Truckee quarantine station when a car driven by Beatrice Riley, 44, Reno, ran into him, pinning him between the two machines.

Mrs. Riley was cited by Patrolman William Gautsche for driving with faulty brakes.

BASEBALL CLUB TO PRACTICE ON RENO DIAMOND

The Truckee baseball club has bee invited by Bud Beasley, coach of the Reno high school, to meet his boys in a no-decision game at Idlewild Park in Reno Saturday morning at 10:30 o'clock, Business Manager R. N. Little reports. The players will meet here at the fire station Saturday at 9 for rides, Little said.

The Truckee club has been given permission to use the Idlewild Park diamond at Reno and will practice there Sunday afternoon, Little said.

The members will gather at the fire station here and leave at 12:30 o'clock and those going in their own cars will meet at the park at 1:30, Little said.

The 1950 season opens with Truckee at Grass Valley on April 16 and the team is sadly in need of a good workout or two before the game. Folsom will come here May 14 for the first home game, according to the schedule.

Imogene Prepares to Have Artificial Feet

Imogene Wittsche, 14 year old Roseville girl who lost both feet in a speed boat accident at Lake Tahoe last summer, will spend several months in a San Francisco hospital before she will be provided with artificial limbs, it was announced this week.

The operator of the speed boat, Phil Davis, Oakland auto dealer, was sentenced to six months in a federal penitentiary after a jury found him guilty of running the craft in a negligent manner.

He is currently free on bail awaiting an appeal and a civil suit for $320,000 damages brought by Imogene's parents.

TRUCKEE TEAM DROPS GAME IN NEVADA MATCH

Truckee's American Legion basketball team ran into Rissone's of Reno and a lot of tough luck, to be eliminated from the Andy Milich Tournament playoffs in Lovelock Saturday night.

Friday the local squad trounced the Lovelock 20-30 Club 64 to 47. Al Wakefield scored 19 for Truckee. Phil Foster and Jim Flynn made 14 each.

Saturday Rissone's topped the Truckee team 60 to 49. Wakefield, Foster and Woody Hill were all benched by fouls and Flynn was high scorer with 17.

The final result of the tournament found Reno YMCA first, Fallon 20-30 second and Rissone's third.

CLINIC STARTED TO IMMUNIZE SCHOOL PUPILS

With the assistance of Mrs. W. Smisek, Mrs. D. Sites and two Placer County health nurses, Dr. L. D. Nelson has completed the first of what is proposed to be a series of immunization clinics for the local schools. The high school has received serum for small pox and the elementary school pupils were given diphtheria whooping cough and tetanus shots.

Dr. Nelson said it is hoped to have a detailed medical record of all the students together with an immunization schedule so that when the new high school is completed, there will be a complete record of each student.

The clinic is conducted without cost, the students paying only 25 cents to defray some of the cost of the serum.

Good Crowd Atttends High School Carnival

Between 200 and 300 persons Tuesday night attended the high school's entertainment and carnival at Capitol Hall where an old fashioned melodrama, "For His Brother's Crime," specialty numbers, including a can-can dance, a gay nineties band and other features provided the evening's fun.

The affair was given to finance the high school's annual, The Chipmunk, and was more successful than anticipated despite the fact it was postponed from Saturday because of the weather.

Truckee School Will Recess Holy Week

The Truckee Elementary School will have Easter vacation at the end of this week, according to Eugene Carrillo, student reporter. Vacation will start April 1 and continue until April 9. The first grade pupils are going to dye Easter eggs on Friday and will hold an Easter egg hunt.

The school's news column, usually found in the Sierra Sun, has been eliminated this week due to space limitations but will be printed in next week's edition.

California is the second state in the union in the production of lumber BUT only because cutting is heavier than the replacement of trees. This statement has been credited to DeWitt Nelson, state forester, who recently addressed a meeting at Marysville. Present forest rules, he said, are ineffective and need redrafting to eliminate generalities which allow circumvention through free interpretation by the more greedy lumber interests. Mr. Nelson is undoubtedly correct and certainly must be acquainted with the subject on which he spoke. Apparently too few people are interested in California's diminishing natural resources and we believe Mr. Nelson should be given the support of legislators in bringing about a solution to a problem which threatens the state's forests and valuable watersheds. Dust bowls in eastern states are indicative of what can happen in California.

Currently there is a drive on for Red Cross funds, a most worthy cause. Recently the March of Dimes was the object of group collections and in the near future the Cancer Drive will be held. We wonder how many people stop to think that a large share of these contributions are shared by the business people of Truckee. We hope you give it thought next time you are tempted to trade out of town. Your local merchant is not only a taxpayer and neighbor but is always on hand when he is needed for community service.

FEBRUARY GOOD TRAVEL MONTH FIGURES SHOW

An increase in the number of cars entering California through Truckee during February, as compared with the preceding month, and nearly double the February, 1949, count was noted in the monthly report from the state department of agriculture.

During February, a total of 11,933 autos, 1,756 trucks and 457 stages were checked through the local quarantine station, with a total of 39,325 passengers. This represents an increase of 2,000 cars over January, the year's lowest travel month.

Stateline on Highway 50 reported 1921 cars, 106 trucks and nine stages with a total of 4,970 passengers.

In February, 1949, 6,794 cars, 1400 trucks, 434 stages and a total of 25,848 passengers were reported at the local quarantine station.

Tahoe Youth Named On U. of C. Council

William Callender, 21, son of Mr. and Mrs. B. F. Callender of Tahoe Pines, was recently appointed to the sophomore class council at the University of California. The council coordinates and plans activities for the sophomore class.

Callender is a member of the Rally Committee. Before going to the university, he attended Lowell High School in San Francisco and Tahoe branch of Placer Union High School. His fraternity is Pi Kappa Alpha.

Towler Jr. Contestant In County Spelling Bee

Ernest Towler Jr. represented Truckee Elementary School in the Placer County Spelling Bee at Auburn on March 25. Contestants were judged on the basis of a 50 word oral test and a 100 word written test.

Donna Jean Souza of St. Joseph's Elementary School was the winner. Representatives from 11 schools were participants.

Best Essay—

Ruth Osburn, eighth grader at the Truckee Elementary School, submitted the best essay from the Truckee-Tahoe area on the subject "Why We Need a Census," according to Harold Berliner Jr., district supervisor for the bureau of census.

Patrol Probing Two Hit-Runs In Truckee Area

Two Women are Injured In Headon Crash At Summit

Two women were hurt in a head on auto collision on Donner Summit Sunday afternoon at 12:30 o'clock and a second collision that night wrecked two cars but no one was injured, the highway patrol rported. Two hit and run accidents last Friday which injured two women are being investigated.

Dr. John B. Snell, 55, Vallejo, was cited for making a bad pass after his car collided with one driven by Dr. Russell G. Merrill, 53, Los Angeles dentist, Patrolman Roy Stallard reported. The mishap injured Mrs. Hazel Merrill, 53, who was taken to a Reno hospital by the Truckee ambulance, and Mrs. Dorothy Snell, 54, who was treated here by Dr. L. D. Nelson for minor injuries.

Francis L. Peters, 42, Rio Linda, was cited for driving without due caution after his car ran into the rear of one driven by Woody H. Sims, 31, San Francisco, near Soda Springs Sunday evening at 9 o'clock. Patrolman William Gautsche made the investigation.

Hit and Run

Mrs. Irene Torri of Sierraville is recovering from injuries suffered when a light truck driven by her husband, Pasquel Torri, was sideswiped by a hit and run driver near the Nevada state line Friday at 7 p.m. She was taken to a Reno hospital for treatment.

Half an hour earlier Marjorie Palmer, 46, Oakland, suffered injuries and was treated by Dr. Nelson after a car driven by Henry J. Cornacchia, 41, Oakland, was virtually demolished by a truck near Donner Summit. The truck did not stop, according to a report to Patrolman Gautsche, and a search is being made for a large truck and semi-trailer. The truck was going up the grade and the car coming down when the crash occurred.

Two Escape

Harry S. Bunker Jr., 20, Menlo Park, and a companion, James Ruder, 29, Stanford, escaped without injury last Thursday when the car driven by the former went out of control, hit a bridge five miles east of here and went nearly 400 feet through rocks and brush before stopping. The driver was cited for speeding.

C. of C. Air Group to Make Report Tonight

Work on the Truckee Chamber of Commerce's welcome sign at the approach to town had to be postponed because of inclement weather, it was reported at last Thursday night's meeting.

The state fish and game commission and the federal forest service are very interested in the site of the proposed airport, reports Secretary Winifred Kamp. Both these services are making increasing use of aircraft in their work. The chamber's aviation committee will have more information on the project available at the meeting tonight in the chamber office at 7:30 o'clock.

The possibility of erecting an information booth at the Gateway Wye was discussed at the last meeting and it was announced that the annual election of officers will be held in May.

Card Party Features Next Wyethia Meeting

A card party to be followed by refreshments will be held for members of the Wyethia Women's Club at their regular meeting here on April 21. Mrs. Frances Kamp is the activities chairman and will arrange for the pleasant session.

14 Days

left to register to vote in the June 6 primary election. In Truckee you may register at the Sierra Sun office or at the Truckee Chamber of Commerce. Last day, April 13!

Census Taking Will Start Here Early In April

Warning Issued Against Door-to-Door Artists Using Census

Housewives of the Truckee, Tahoe and Donner area will be call- to their front doors during the first two weeks of April by the knock of the census takers from the United States Bureau of Census. The census taker will present his or her credentials in the form of an identification card introducing him or her as an enumerator for the 17th decennial census. Enumerators will carry an official census of population form on which he will write down names and note information about each individual in the household; will have nothing to sell and will ask only the questions which appear on the census form.

If the visitor claims to be a census taker but cannot produce credentials, he is an imposter and will be subject to penal action for impersonating a federal officer. If he undertakes to conduct any business other than the collection of official census information, he betrays himself because census takers are subject to loss of their jobs if they combine their census work with soliciting money, selling house to house, distributing advertising material or other similar activities which bring canvassers, peddlers and the like from door to door.

Housewives who have reason to believe they are being imposed upon by a faker are urged by Harold Berliner Jr., local census district supervisor, to notify the police and give the authorities a description of the individual. Police authorities of this area have been shown the type of credentials required of census takers and have assured the census bureau of assistance in apprehending imposters.

HEALTH FORCES PFAENDLER OUT OF JUDGE RACE

Albert Pfaendler, who had filed a certificate of intention to seek the office of justice of the peace here said he would not be a candidate. Pfaendler has been ill at his home for the past several days and said he did not feel well enough to campaign.

Fred Morris and Hermann L. (Bud) Owens previously announced they would not be candidates and Thomas LaRocca is planning to leave the area. That leaves only Mrs. Ethel Buell and Fosten Wilson in the final contest.

STORM BRINGS PRECIPITATION OVER NORMAL

A heavy snow fall over last weekend, which hampered ski meets at Tahoe City and Donner Summit, added 28 inches to the snow pack in Truckee and, as of today, left 38 inches on the ground.

Precipitation for the week was 2.56 inches, according to William Curran of the Forest Service station here. This brought the total for the season to 28.75, which is 6.59 above the same date last year and 1.96 over the 1949 season total.

This figure is also 1.74 over normal for the month of March, Curran said, and 5.02 inches above the season normal since September 1.

With the season's normal of 27.38, Truckee now has 1.37 inches over normal for a period from September 1, 1949 to August 31, 1950, even if no further precipitation is recorded this year, he said.

Clarence Tollefson to be Rotary Club Secretary

Clarence Tollefson was elected secretary of the Rotary Club here for 1950-51 at the meeting Monday night. He succeeds Arthur Couillard. Pete Land of Loyalton and Dennis Halcomb of Carson City were visiting Rotarians and Fred Freschauer of Reno and R. R. Rockholm of Truckee were guests. John Ciardella presided and John Richards was program chairman.

Fool's Day Masquerade Tonight at Donner Lake

Plans are complete for the Fool's Day masquerade party to be held this evening at Donner Lake Lodge, the affair being held to mark the end of the winter season at the lodge. Guests are invited to come in masquerade costumes or as they are. Free masks will be provided. The orchestra will provide music from 9 until 1 with a midnight supper being served.

by T. BURROUGHS

P. M. Burroughs and C. W. Vernon, on the advertising committee, for the Lake Tahoe Chamber of Commerce, announced this week that 50,000 colorful folders have been received and any member of that organization may have some of them by going to the chamber office at Kings Beach.

Richard Lavery is running for reelection to the office of constable for the Kings Beach area. Very efficient he has been in the past and should have pretty clear sailing come voting time. Clarke Allen is running to retain the office of justice of the peace. His opponent in the race for justice is Harry Charrison, another well known North Tahoeite.

Mrs. A. E. Abbott returned last Sunday from Bakersfield where she had visited for several days with friends and relatives.

Wee Kirk of the Pines church school attendance was slightly increased last Sunday and it is hoped more and more of those who have been out for some time will be coming back. Next Sunday (Palm Sunday), a special program will be presented at Sunday school at 10 a.m. The worship topic at the 11 o'clock service will be "Christ as Our King". Christian baptism will be administered and a reception of members will highlight the service. Rev. Oscar H. Swenson extends a cordial invitation to all.

The Willing Workers, a group of Church School girls under the direction of Mrs. Van Hooser, meet at the Van Hooser home each Wednesday where they at present are making a diorama of the entry of Jesus into Jerusalem on Palm Sunday, which will be part of their contribution to the special program this coming Sunday.

The North Tahoe Public Utility District directors met with engineers and attorneys March 18 at the district office in Kings Beach. A. E. Abbott tendered his resignation as director and was replaced by Tom Sutton. Abbott was then appointed manager of the NTPUD. He will serve as resident engineer and inspector during the course of construction of the sewage system. Mrs. Evelyn Mandeville was appointed ex-officio secretary-treasurer.

In conference with the group were Mr. Hunter and W. White, Nevada sanitarians, John Rayburn, TaNevaHo; Mr. Ross, Cal-Neva; Max Barrett, Cal-Vada, and Stan Parsons, Sierra Lodge, to discuss possibility of forming a district on the Nevada side which may lead to contract with the NTPUD for disposal of sewage. White is preparing a petition to the proper authority for formation of the Nevada district.

Alice L. Sorensen, well known long time resident of North Tahoe, has been asked to file her candidacy for the Placer County Democratic Central Committee in Supervisorial District No. 4. Her name will appear on the June 6 ballot. Alice expresses her wholehearted willingness to be of assistance to our community in any way this office will allow. She is the wife of Andy Sorensen, Tahoe Vista building contractor. They have lived in this community since 1930 and have two children, Ray and Loma. Mrs. Sorensen is now serving her second term as president of the North Tahoe Women's Club.

Mr. and Mrs. Walter Pope welcomed their first born, a son weighing 10½ pounds, March 23. The Popes are at present residing near Fairfield.

Mary and Ed Starr are up this week, thrilling to the beauties of Lake Tahoe's setting.

Mr. and Mrs. Steve Port are moving into their new quarters at Pinogrande and State Highway. Port is employed at Tahoe Vista Garage with Walt Bailey.

Irwin Tucker and his wife, Margy, were up last weekend to see Irwin's father, Henry Tucker, who is ill.

At the Brockway Rotary meeting Monday night officers were elected as follows: Gil Ballard, president; Clare Walters, vice president; E. J. Stokes, secretary; Tom Sutton, treasurer; Bud Mandeville and Dr. H. Holmes, directors. The Rotarians are still working hard to secure the Rotary Assembly for the lake this summer and discussion was held on methods to be used for publicity. The subject of Kings Beach street lights was discussed. These lights are close to being shut off because of non-payment of a bill of over $150 which must be paid. It was suggested that all businessmen in the area contact a Rotarian and make a freewill offer toward eliminating the debt and preserving the advantages of well lighted streets.

An Easter Egg Hunt for North Tahoe children which will take place on Saturday, March 8, at the golf course in Kings Beach. Following the egg hunt Tom Lucas will provide a free matinee for the youngsters.

Shirley Wagner celebrated her birthdate last Sunday. Instead of a party Shirley took her cake to the drug store and held open house.

Enumerators appointed in this area for taking the 1950 census are Florence Miles, Ruth Lavery, Noble T. Murray and Arnold Miedema. C. P. Bannon is director for this district. Beginning April 2 any one of these enumerators will call on you for census data.

Mulford Miles was feeling under the weather last Saturday and Sunday, accounting for the closing of his service station those days.

Tex Jones writes how he looks eagerly forward to that vista of Tahoe available at any point around Jones' Cottages, after a winter in Los Angeles.

Ground work has begun on the Pryor Building at the foot of Brockway Hill. This buiding will afford space for several businesses and offices.

Our 2nd annual Clean Up Day will be in early April this year. This one is expected to be much more thorough than our first effort to rid Kings Beach and surrounding area of all objectionable material. Everyone please participate. It is to the advantage of each of us to make our homes and community more attractive.

Stopped for a minute to watch Jack Wolert excavating the front of Cabona's.....which used to be a drug store and telephone office before World War 1.....and Jack turned up a bunch of old post cards which I confiscated.....one shows part of a Truckee saw mill, with a sawyer complete with drooping mustache and bowler..... others, Tahoe Tavern Emerald Bay Falls, Mount Tallac and Mr. Elliott's launch at Lake Tahoe..... Mrs. Joe Mattos, who was born in Ireland, celebrated her birthday on St. Patrick's Day.....I didn't see it but I hear Gladys Dolley had her picture in the New York Sunday News of March 19.....in connection with a write-up on the Hardy-McLain murder case.....the title was "Did Justice Triumph?" .....a good question, seems to me .....Ernie DeLisle, back from a trip to Arizona and Mexico, has discarded his cast but still steps gingerly on his ski injured leg..... Ernie no sooner got back than his fellow Goodfellow, Reg Smart, took off on a business trip to SF .....and he's back again.....Mrs. Belle Williamson was feted on her March 22 birthdate, which she has in common with Art Leitch, at a musicale and card party given by Mrs. Bill Englehart Sr..... and attended by 14 friends.....The Tahoe Lake PTA has undertaken a worthy project....collecting musical instruments for the school at Tahoe City.....if you have any usable instruments you'd be willing to give, lend or sell cheap, keep them in mind.....I'm told those kids have lots of talent and will put any instruments available to good use....Have you made your guess on the weight of that load of boulders on the card table in Mattheus Furniture?.....Nobody now knows the exact weight as they won't be scaled until the contest is over.....the prizes are really worth taking home and there is no obligation attached..... so take a stab at it.....

School Girls Hostesses At Surprise Shower

TAHOE CITY— Three members of the fifth grade of Tahoe Lake School gave a pink and blue shower in honor of Mrs. Robert Gilbert. The hostesses were the Misses Barbara Johnson, Linda Frodenberg and Joann Spitsen, who surprised the honoree in her home on Friday afternoon with a gaily decorated party table, gifts and delicious refreshments. Following presentation of the gifts, the afternoon was spent playing party games and canasta.

Butte County is one of the original 27 counties of the state.

TAHOE SKI CLUB NOMINATES FOR ELECTION FRIDAY

TAHOE CITY— The Lake Tahoe Ski Club held its yearly nomination meeting Friday with Vice President R. R. Gilbert presiding. Nominees will be voted on at the election meeting Friday, March 31. Electees will assume office on April 1.

Nominees were Jake Stuart, president; Bill Jenkinson, first vice president; Bob Stark, second vice president; Mrs. Marian Stuart, corresponding secretary; Mrs. Wesley Donaldson, Miss Carolyn Bolton, recording secretary; Arthur Frodenberg, Oscar Quam, treasurer; Chris Egsgaard, tournament director; Kay Starratt junior activities director; Austin Frodenberg, Richard Carnell, chief of hill; Oliver Corona, Carl Bechdolt Jr., Oscar Quam, Floyd Carnell, Ray Fellows and Wesley Donaldson, directors, four to be elected.

Members approved Ray Fellows' motion to finance Jim Morhain's trip to Sun Valley for the ski competitions there this weekend. Morhain is one of a team of four boys and two girls representing the FWSA at the meet. Tahoe Post 718, American Legion, and the Tahoe City Rotary Club will also contribute to Morhain's trip expenses.

Members were asked to help locate a club toboggan, missing from the Tahoe City hill, which should be available for emergencies.

Visitors present at the meeting included Chet Zoberski, Pat Coffman Ernie Hill and Art Hill, all from Oakland, skiing for Auburn Ski Club.

Tahoe Weather Change Prolongs Snow Pack

TAHOE CITY— Lowering of temperatures, accompanied by some moderate precipitation in the form of snow gave new depth and extended the expectancy of Tahoe's snow pack last week. Beginning with heavy rain, last week ended with a snow storm which brought the snow pack back up to 37 inches. The record tells the story as follows:

Date Mar.	Max Tem	Min Tem	Snow fall	Precip.
19	40	30		.61"
20	41	24		
21	45	27	2"	.71"
22	34	25		
23	36	19	15"	1.30"
24	33	27	6.5"	.48"
25	31	17	1.5"	.07"
26	35	22	trace	trace
27	....	27		

Lake Tahoe stood at 6224.80 feet on March 27.

Fish and Chips Luncheon Honors Mrs. Stevens

TAHOE CITY— Mrs. John Stevens of San Francisco and former Tahoe City resident was honored at a "fish and chips" luncheon given by Mrs. Celeste Daniels last Thursday. The Easter motif was used for table settings. Following the luncheon the guests enjoyed an afternoon of pinochle. The first prize went to the honoree, second to Mrs. Phil Geier and consolation to Miss Florence Vernon. Other guests were Mesdames Marie Henry, Isa Tesseton, Martha Burns and Justine Pingree.

Mrs. Stevens returned to San Francisco after a week's visit as the house guest of Mrs. Stella Watson.

TAHOE LAKE P. T. A. SEEKS INSTRUMENTS FOR USE IN SCHOOL

TAHOE CITY—The Tahoe Lake School PTA met at the school last Thursday, Mrs. Ray Fellows, vice president, presiding. Absenteeism was largely attributed to a possible misunderstanding of the schedule. Meeting are held on the fourth Thuursday each month—not the last.

Ernest Douglas, school district music teacher and orchestra leader, pointed out the readiness of some students in the tonette band for real instruments and simultaneously to the school's need for instruments. To help meet this need, the PTA approved a motion to purchase or otherwise collect needed instruments. These would then be checked out to individual students who would pay a small upkeep charge monthly.

In entering the musicla instrument field, the PTA requests that anyone within or without the organization who has an instrument not now in use consider donating, lending or selling at a discount such instrument to the PTA.

Mrs. M. Gallinger school principal, called attention to another community need associated with the school. New families moving into the community may be in residence several months before realizing the full extent of community organizations in which they might like to participate or facilities they might like to enjoy. To remedy this, Mrs. Gallinger suggested that a person or persons from the PTA might help welcome and orient new residents. The members approved and appointed a hospitality committee was formed with representatives from each of the three areas served by the school — Mrs. John Smith, Tahoma; Mrs. Arthur Frodenberg, Tahoe City; Mrs. J. Stuart, Lake Forest and points north.

A committee was appointed to help organize Boy, Girl and Cub Scout troops.

The spring Carnival date was not set but will be during the last of May or early June. Mrs. Roy Johnson, with student aid, served refreshments.

The next meeting departs from schedule and will be en the fourth Friday, April 28, which is also the last day of Public Schools Week. The meeting will begin at 1 p.m. and box lunches will be brought. It is planned that the PTA members do a turnabout and present entertainment themselves.

Entertaining at last Thursday's meeting were students Jimmie Goodhue, trombone solo, with Carol Wilson accompanying at the piano; Linda Frodenberg, Douglas Wilson and Bruce Benjamin, clarinet trio. The tonette band also played.

AUBURN WINS MEET AT TAHOE CITY, HOST CLUB SECOND

TAHOE CITY—Lake Tahoe Ski Club's 21st annual meet, the FWSA sanctioned two-way combined, was concluded Sunday with top honors going to skiers from the Auburn Ski Club, closely followed by members of the host club. The 7½ mile cross country race was run under excellent conditions in the morning in the vicinity of the Tahoe City golf course. The delayed afternoon jumping ran into adverse weather conditions with intermittent light snowfall at Olympic Hill.

With an appreciable lead over the rest of the field in the combined, but neck and neck with each other were Auburn's Ernie and Art Hill with 416.6 and 414.7 points respectively. Lake Tahoe Ski Culb's Chris Egsgaard was third with 375.5 points.

In the morning race the three trophy winners were Art Hill, who covered the course in 53:40; B. Wadsworth, Cal Aggies, 54:144; Chris Egsgaard, Tahoe, 58. Others were Robert Herdal, 58:39; Ernie Hill, 60:06; Lewis Parker, 67:05.

In class A jumping trophy winners were Chet Zoberski, Auburn, Ernie Hill and Bob Stark of Lake Tahoe. Others were Bob Roecker, Howard Pyle and Dave Renner.

Class B winners were Art Hill, Howard Carnell of Tahoe and Austin Frodenberg Spokane Ski Club. Others were Chris Egsgaard, Frank Borneman, Norman King.

Class C trophy winners were Jim Morhain, Tahoe; Fred Holt, and John Hartwick, both Tahoe-Truckee High School jumpers.

Class D winners were Lewis Fellows, Phil Ebe and Jerry Quam, all of Lake Tahoe. Others included Leonard Fuson, Dick Dorwoth, Jay Stuart, Donald Stark, Darryl Stark, John Robinson, Rolf Wiggard Jr., and Dick Johnson.

In the Novice jumping Lake Tahoe Ski Club's Rex Donaldson took first place trophy with 166 points. Lake Tahoe's Leif Neilsen was awarded the medal for second place with 162.9.

Seventeen trophies and one medal were awarded at the banquet Sunday night at Tahoe Inn. In addition, Ernie Hill's name will be engraved on the Wikander Perpetual Trophy and Chris Egsgaard's name will be placed on the trophy as Lake Tahoe Ski Club's high point man.

Receiving a hand from the Lake Tahoe Ski Club for their regularity in participating in the club's meets were members Dave Renner, now residing in Los Angeles, and Howard Carnell, on military leave for the weekend from Camp Pendleton, near Oceanside.

Petition Asks Rezoning In Homewood Tract

AUBURN— The Placer County Board of Supervisors has ordered a public hearing on a rezoning petition request by two Lake Tahoe property owners. Harold H. and Vey M. Young are seeking to have Lot 103, Lakeside Tract at Homewood rezoned from single family to multiple family. The hearing has been set for 10 a.m. April 4 in the court house here.

DONNER TRAIL

School News

BACK TO SCHOOL

—by Nancy Pratt

Donner Trail School started the spring term February 27. We were all glad to be back after our vacation of spiing, visiting and having a general good time.

In social studies we have continued our study in the form of a trip around the Pacific Rim. Last fall we started in Old Mexico, studying the people, occupations, products, forms of travel and their relation to us and the rest of the world. We continued this on through Central America, Panama, South America, Australia, Philippine Islands and the islands that surround them and China. From China, now we have charted our course toward the Hawaiian Islands. In our singing we are learning some Hawaiian songs and their origin. We hope to learn an Hawaiian song.

MUSIC

—by Marles Rau

Mr. Douglas, the instrumental music instructor, comes every Monday afternoon to teach classes in violin clarinet, saxaphone, drum, trumpet and tonettes. Our school has a 100 per cent enrollment in the instrumental group. Every pupil in the upper grades is taking some instrument and every one in the primary who is old enough to enroll is taking tonettes. The following are the pupils and their instruments:

Violin: Marles Rau, Carolyn and Jacklyn Cartmill, Nancy Pratt and Thomas Alden; saxaphone: Ronald Rau; clarinet: Betty Petrocchi, Kit Schull and Albert Alden; trumpets: Larry Cartmill, Chester Petrocchi and Robert Strickland; drums: Gary Almquist and Ted Engell; tonettes: Cebran Hensley, Ronald Rau, Kit Schull, Delia Tschopp, Nancy Williamson, Elvera Madrigril and Billy Burchfield.

If every thing goes well we will soon have an orchestra going. Come on, boys and girls, let's get in on this practice and make our teachers, parents classmates and everyone concerned justly proud of us.

CONSERVATION

—by Larry Cartmill

Last week was Conserrvation Week and we were happy to have the following people visit us and give the interesting programs which we enjoyed:

March 13, Mr. Borneman of the state fish and game department brought three good films: The Importance of Our Frest, Smoke Jumpers and a slow motion film on water fowl of North America. Following the movies he gave a talk on the fish and game service and joined in a question and answer period. March 14 Mr. Hydgeria came and distributed pamphlets, blotters and stickers, and told us the story of "Smoky" and what his message is to all regarding forrest fires and how we can help prevent them. He also discussed how fires are located and how the information is given to the fire crews.

As we live so close to the beginning of the water shed for the San Joaquin and Sacramento Valley, we are anxious to know more about how they can tell how much water the farmers can plan on for irrigation. We knew there were many surveys, the snow survey being one of the most important. Mr. Glenn Parsons took time from his busy day to tell us how a survey is made, the instruments used and what the value of the survey is not only to the farmers but to power companies and other industries. He also answered many questions concerning our surrounding country.

Later in the year we hope to visit the Forest Service ranger station at Big Bend and a Forest Service lookout station.

HEALTH

—by Ted Engell

In Health we are studying foods and their classifications. The film, Hidden Hunger, helped us see, even though we may have an abundant amount of food, without the well balanced meal, the body is undernourished. We are studying the menus that are used in our hot lunch program and are analyzing them. Some time in the near future we are to plan and cook the lunch for one day. Our hot lunches so tastefully prepared by Elaine Phillip, are greatly appreciated by all.

Even though we are launched on a very busy program, we still have fun and wholesome recreation. On Tuesdays we go to Soda Springs for ski lessons from Godie Schuetz and Bud Zorich. Every child has skis and takes part. The junior meet at Tahoe City gave and idea of the kind of skiers we have. Five our our pupils went and all five were winners in their field.

South Tahoe Man Seeks Supervisor Position

BIJOU— Andrew G. Robertson, insurance agent at Bijou, Lake Tahoe, will be a candidate for fifth district supervisor of El Dorado County at the June 6 primary election. He will oppose the incumbent, William H. Breedlove of Georgetown; Eddie Wagner of Georgetown, and Allen Swansborough, rancher of Mosquito.

TAHOE RED CROSS DRIVE IS SHORT OF QUOTA MARK

TAHOE CITY— With the close of the Red Cross fund drive in sight, Tahoe City is in need of $151.50 to reach the quota. Mrs. Phil Geier, chairman of the local drive, reports that the contributions are coming in slowly as the drive ends. The balance on March 27 was $898.50. If the quota of $1050 is to be reached by the end of the drive, residents who wish to donate to the Red Cross should send their contributions to Mrs. Geier immediately.

Two children's ski races are scheduled for Easter Sunday, both traditional on the Mountain. One at Sugar Bowl, the other at Soda Springs Ski Hill. Easter morning always brings forth the young fry for breakfast at Soda Springs Hotel, then the race then luncheon at Beacon Hill. Live Easter bunnies are prizes. Easter eggs are hidden throughout the hotel and kids full of Easter eggs, breakfast, and chocolate eggs tackle the hill with a vengeance where more bunnies are given away as prizes.

We have a copy of the "Report on Overland Emigrant Trail" on hand. This is the story of the future plans of the state division of beaches and parks to make the old trail a permanent monument from Chicago Park to the Donner Monument. It is illustrated with pictures, maps are shown of the contemplated project and many excerpts from old diaries are included and incorporated therein for the purpose of establishing the authenticity of the project, a trail for riding in the summer, for skiing in the winter, a trail for hikers, a trail for campers. It is to have six access points so one may enter it and stroll for an hour or stay for a week. To quote A. E. Henning, former chief of the division, "The trail passes through rugged rocky mountainous terrain, some sections being costly to construct. The average cost is estimated at $1700 per mile. This, with other features of the proposed project, brings estimated initial cost to $246,025."

Another project seems to be taking shape. That is the Donner Summit Utility District. Water source, as now planned, will be Lola Montez Lakes and we note a bill in the state senate pertaining to same a few nights ago. The bill has to do with limiting bonding and we understand the federal government has been petitioned for a grant for preliminary work. If all goes well, a road into the lakes should start under construction as soon as the snows leave the ground.

We wait for a report from Stig Bentger, Ruth Raastad and Wynn Killian who journeyed last week end to Eugene, Oregon, to give the kids there a run on their cross country race. The youngsters who traveled here for the Donner Trail Race had invited those named to be their guests.

Sorry we couldn't get to Betty Horak's baby shower but we had an engagement with the bed, a bad cold and a touch of flu, as did Peg Travis, our boarder. Both are recovering, thanks, but the legs are still a bit wobbly. About 30 showed up at the shower and the gifts were lovely. Eve Donadio and Wanda Misener did a beautiful job of decorating with crepe paper "soakers" hanging from the chandeliers, cans of baby food and what not.

Jeannie Buek's tan burns more brightly since her Sugar Bowl race last Sunday. Jean came in 8th while her brother, Dick partially recovered, went back to Sun Valley to race for their club. Dick has to take it easy for awhile and we were surprised that he even ran—but he did.

The Ski Ranch Sunday was packed. A bitter wind kept the San Jose State College racers, all bedecked in their numbers, in the huge dining room until the race started and one could hardly get about. Madylon Walton cheerful and grinning behind the cash register; Bud, tired looking, loading beer cases; discovered Dave Newman, one of our former mountain employees, behind the bar. Glad to see you back, Dave.

Hear that little "Short Legs" Donadio of Donner Summit Lodge is about ready to return from the hospital in Auburn where he was sent via flagged streamliner with a very badly infected throat.

If you want to know anything about George (Bud) Zorich, ski instructor at the Soda Springs Ski Hill, turn to page 28 of Tuesday's Sacramento Bee and everything you didn't know about him is incorporated therein — with pictures, cartoons and a feature article.

How many sportsmen are planning on going to the State Chamber of Commerce meeting, 9:30 a.m., March 31 at Sacramento Hotel, Sacramento? Remember a lot of help is needed to get adequate sums for our sporting projects.

* * *

Sixty-one men and women raced down the face of Mt. Disney Sunday vying for honors in the Sacramento Bee Team Trophy ski race. The weekend's program was hampered by a 4½ foot snowfall which ended only long enough to allow racers medium visibility. The downhill and slalom originally scheduled had to be changed to a giant slalom containing 18 controls with a vertical descent of 900 feet.

The Sugar Bowl Ski Club's first team, composed of Priscilla Affel, Shirley Brown, Leif Somerseth and Art Breuer, won the race. Second place, in the team event, went to last year's winner, the California Kandahar Ski Club of Sacramento, made up of Jenny Breuner, Arlene Allen, Bart Prom and Fred Corfee. Third place was won by the Reno High School team, made up of Allan Ramsey, Pat Myers, Marvella Chandler and Pat Scrugham. Other teams in order of place were Sugar Bowl No. 2, Tioga Ski Club, Marin Ski Club Oakland Ski Club, Reno Ski Club, Sudski, Squaw Valley and Tamarack.

The individual scores found Priscilla Affel of Sugar Bowl the winner of the women's division. Elma Coleman of Tioga was second and Jennie Breuner, Kandahar, third. Bart Prom of Kandahar paced the men's division with a time of 1:19.1. A full 2.9 seconds behind Prom was Pat Myers of Reno High. Third place went to Allan Ramsey, also of Reno High School.

An interesting sidelight, in respect to the first three place winners, is that all of them are under 18 years of age.

While skiers from Kirksville, Soda Springs, FWSA and Downmoutain also participated, they were disqualified as having incomplete teams. Teams had to consist of two men and two women to qualify.

Buckhorn Inn to Open For Season April 8th

KINGS BEACH— Saturday, April 8, has been set as the date for the seasonal opening of the Buckhorn Inn.

In observance of the event, the owners, Mr. and Mrs. Tom Sutton, have announced they will arrange a party for the opening night and have engaged an orchestra to provide music and a buffet will be featured. Dinners will be served throughout the evening.

Mr. and Mrs. Sutton recently purchased the Buckhorn from Johnny Rayburn after having managed the popular establishment for the past several seasons. Following the opening, the Buckhorn will remain open through the season from 7 a.m. until 11 p.m. daily for meals.

Engle Is Candidate For Another Term

Representative Clair Engle has announced he will seek reelection to Congress for the coming term.

Engle, a registered Democrat, will also file for the Republican nomination at the June 6 primary. He was first elected as representative of the 18-county second congressional district at a special election in 1943 and was reelected in 1944, 1946 and 1948. At the time he was elected to congress, Engle was a member of the state senate. Previously he had served two terms as district attorney of Tehama County.

Engle, second ranking Democrat on the house committee on public lands, recently was elevated to chairman of the public lands subcommittee and is also a ranking member of the committees on irrigation and reclamation, and mines and mining.

Engle is assistant Democratic whip in the house and is secretary of the California congressional delegation.

Tarzan

by EDGAR RICE BURROUGHS

BECAUSE THE FORBIDDEN SERPENT SYMBOL MARKED HIM FOR DEATH, TARZAN WAS FORCED TO TAKE TO THE WATERS OF THE LAKE TO ESCAPE THE FEROCIOUS DAGOMBA ATTACK.

"WE MUST HAVE GOT HIM—HE DIDN'T SHOW UP ANYWHERE," CLEVELAND REMARKED. "MAYBE," BAKER SAID. "BUT LET'S HAVE A LOOK AT THAT LEDGE OVER THERE."

"WE'RE WASTING TIME, BAKER—OUR FRIEND TARZAN'S BODY WILL COME UP EVENTUALLY. WE'VE GOT WORK TO DO."

CHAKA, TURNING, SAW THE APE-MAN. "AIEE!" HE SCREAMED. "THE WHITE DEVIL HAS TRICKED US! AFTER HIM! AVENGE OUR SERPENT GOD!"

WHEN ALL HAD QUIETED, TARZAN MOVED CAUTIOUSLY OUT, AND CLIMBED TO THE LEDGE.
